Sir:

In response to the Office Action mailed January 26, 2009, Applicant submits herewith three replacement sheets of drawings and three annotated sheets of drawings in which reference numbers have been added. Because sheets 4-6 are not necessary for an understanding of the subject matter of the present invention, Applicant removed these sheets. Accordingly, Applicant notes that the three replacement sheets of drawings replace the six sheets of original drawings. Approval of these Replacement Sheets of Drawings is respectfully requested. Please feel free to contact the undersigned with any questions.
